

Thrift Savings Plan BULLETIN

for Service TSP Representatives

Subject: TSP Materials for the New Record Keeping System

Date: June 18, 2003

On June 16, 2003, the Federal Retirement Thrift Investment Board announced the implementation of the new Thrift Savings Plan (TSP) record keeping system. Because the new system includes a multitude of new benefits and enhancements, all of the TSP publications and forms have been revised. Older versions are obsolete and should be destroyed.

The attached [table](#) provides a list of the primary publications and forms and their shipping schedule (if any). Column 1 of the table lists the revised materials, column 2 indicates the supply that will be sent to the services, and column 3 indicates the date that the materials should be received by the central distribution points.

We have minimized the volume of primary materials being distributed and, in some cases, opted to allow services to order the publications and forms based on their needs. In assessing your needs, please note that all of the publications and forms (except Form TSP-U-50, Investment Allocation) can be downloaded from the TSP Web site. Furthermore, because participants now have the ability to request, and, in some cases, complete, loans and withdrawals (as well as contribution allocations and interfund transfers) on the Web site, we are encouraging them to use the Web site instead of sending forms to the TSP record keeper. Services may order TSP materials by having a representative from their central distribution points order them by completing the Thrift Savings Plan Order Form (TSP-U-40).

(continued on next page)

Inquiries: Questions about the materials for the new system should be directed to the Board at **(202) 942-1460**. Questions about the distribution of these materials should be directed to the Board at **(202) 942-1673**.

Chapter: This bulletin may be filed in Chapter 11, Resources.

Supersedes: This bulletin supersedes TSP Bulletin 02-U-18, Thrift Savings Plan Materials for the New Record Keeping System, dated June 25, 2002.

We are issuing separate bulletins to address some of the individual forms that have been radically changed, e.g., the new self-certified Financial Hardship In-Service Withdrawal Request. In the meantime, however, this bulletin will give you the information you will need to manage your TSP publications inventory.
